

Jeanneau Sun Odyssey 36i

"Inspiration" is a stunning example of the very popular Jeanneau Sun Odyssey 36i.

With an easy to use sail plan, she is a delight to sail in all conditions. The sail plan features a slab reefing main with two reefing points and furling genoa with all sheets and winches operated from the walkthrough cockpit. She is easily sailed short handed and features a Raymarine GPS and autohelm.

This well designed luxury cruiser is the twin cabin version and features a forward v-berth and aft double cabin, comfortably sleeping four. The spacious saloon and galley features a gas oven, microwave (with inverter), electric fridge/freezer and gas stove ensuring you can cook up a storm while at sea. A stainless steel gas BBQ is also fitted to rear of the vessel providing lots of cooking options.

Inspiration is equipped with a marine stereo system featuring four speakers and a LCD flat panel with DVD player to keep your crew entertained.

Inspiration is part of the Yachtshare fleet - Queensland's most successful and experienced syndicated yacht management company. With Yachtshare, you will purchase an affordable and equitable share in a luxury yacht that is fully maintained. Following your initial share purchase you can expect a fully maintained yacht ready to go every time you arrive at the marina. For a low monthly maintenance fee, the Yachtshare team professionally manage everything: from the big mechanical services, antifouling, insurance, registration, berthing, as well as professionally detailing your yacht after every use. You'll spend more time sailing, and no time maintaining and cleaning.

Expect a true walk-on walk-off experience.

Based on an equitable and convenient booking system, you'll have a minimum of 33 days on the water annually, plus the option to pick up extra adventures on standby sailing days. Many of our owners enjoy more than 40 days on the water, for a proportionally small cost in comparison to maintaining a private yacht on their own.

Visit the Yachtshare website for more details on the most affordable and convenient way to own a yacht.
